

Attention SSD Parents and Guardians:

January 29, 2021

Due to the COVID guideline of limiting the number of people in one space, we are unable to have our normal Class Observation Week which was originally scheduled for the week of January 25th. However, if you would like to observe your child's class, please speak to his/her instructor and a specific day can be assigned for you to come in and observe. We can spread this out throughout the month of February. Only 2 observers per student, and please, "mask up!"

Thank you,

*MaryPat Speno*
